

THE WOODS OF WIMBLEDO

BOARD OF DIRECTORS MEETING FOR NOVEMBER 1986

Present: Richard Lambert, Tom Rorabeck, Shirley Gray, Theron Dossey, Dianne Conn and Paula Kromroy.

Richard called the meeting to order at 7:35 p.m. The minutes were approved as read.

TREASURERS REPORT: Theron reported that we are under budget so far and the costs are reducing as winter approaches. We should have around \$3000 left at the end of the year. Theron had sent the annual statements out the day before our meeting and they are due the end of December with a \$10 late fee charge for each month there after.

COMMUNITY AFFAIRS- Dianne will contact the MUD district to get the correct information regarding an increase in our water bills. She will also talk with Mr. Bill Frost regarding his writing an article for the newsletter to inform the homeowners of this increase.

The EMS would like a homeowner from WWI to attend their board meetings several times per year. Paula Kromroy volunteered to do this and report to our board on their meetings. Theron will write an article for the newsletter as to the EMS. Richard will also include an article in the newsletter, asking for volunteers for officers and board member positions, along with explanations on the ballot. The announcement of the annual homeowners meeting and the ballot will be separate and delivered sometime after the newsletter.

NEW BUSINESS: Richard received a letter from the district attorney's office and they are apparently trying to get after the man who ran threw the fence on Strack Rd. They needed information regarding the costs and etc. and are going to try and make him make restitution.

Discussion was made regarding the 1987 board and some suggestions were: Virgie Johnson, Sandy Clödfelter, Renae Drennon, Charlotte Kelly, Jerry Conn and Gayle Olstad.

Theron will have the 1987 budget typed and ready to go over for our next meeting. It was also decided that he will explain the budget at the annual homeowners meeting.

The next meeting will be held at Dianne Conn's on MONDAY, December 8th at 7:30 p.m.

Presented by Paula Kromroy, secretary.
